Product

[Removal sack](#)

[Filter cartridge flat 1m² "M"](#)

Item no:

60676

61605

Features

- Further helpful accessories / parts that come as standard with the machine
- AntiStatic feature
- Two motors

Benefits

- Filter bag, double-layer with high filtration and with closure of the inlet
- A conductive discharger link between inlet fitting and earth. Sparks, shocks and dirt don't stand a chance when working with conductive hoses.
- The outstanding suction performance of this powerful vacuum cleaner saves working time
